hands-on experience that will give you a competitive edge. Together We Advance your career!

JOB DETAILS:

- **Location:** Markham, Ontario, Canada
- **Onsite/Hybrid:** This role requires the student to work full time 37.5 of hours a week, either in a hybrid or onsite or remote work structure throughout the duration of the co-op/intern term
- **Duration:** 16-months, May 05, 2025 - August 27, 2026

WHAT YOU WILL BE DOING:

We are seeking a highly motivated Data Analyst intern/co-op to join our team and work on data, statistical analysis, performance analysis, quality assurance, and data interpretation. In this role –

- Your responsibility will be to analyze and organize raw data to craft proofs of concepts, prototype, and implement solutions using relevant analysis methods and visualization techniques
- We will involve you in data analysis assignments and report results. Additionally, we would train to build data for prescriptive and predictive modeling to generate business foresights
- We will assign tasks for building reports, presentation and crafting dashboards using data visualization tools

WHO WE ARE LOOKING FOR:

- You are currently enrolled in a Canada based University into a Undergraduate program majoring in Data Analytics, Data Engineering, Computer Engineering, Electrical Engineer, Computer Science or a related field
- If you have knowledge / experience with any of the following technical skills (or related areas) and are enthusiastic about this role, we strongly encourage you to apply –
- Python, SQL, R, Java
- Data processing, data engineering and/or data science
- Kubernetes, Tableau, PowerBi, data analytics
- Microsoft cloud services like Azure and AKS
- Snowflake, Oracle, SQL server data platform
- Software development (including design, implementation, testing, and other related work)
- Database design and data modeling

Note: By submitting your application, you are indicating your interest in AMD intern positions. We are recruiting for multiple positions, and if your experience aligns with any of our intern opportunities, a recruiter will contact you.

Benefits offered are described: [AMD benefits at a glance](#).

AMD does not accept unsolicited resumes from headhunters, recruitment agencies, or fee-based recruitment services. AMD and its subsidiaries are equal

sex, pregnancy, sexual orientation, gender identity, military or veteran status, or any other characteristic protected by law. We encourage applications from all qualified candidates and will accommodate applicants' needs under the respective laws throughout all stages of the recruitment and selection process.
